Hi [REDACTED]

Yes, it is all coming slowly together, however there is still loads I have got to learn. Thank you very much for spending time on [REDACTED] and updating the list of queries.

I had a look on [REDACTED] and checked all of the below registrations. I am happy with all the outputs and results evidence you have submitted/ updated.

The evidence for participants [REDACTED] are not the most robust evidence/preferred evidence of a job - however it is supported by the justification - which seems sensible/plausible.

Participant [REDACTED] – uploaded voucher for course as evidence of payment is sufficient for us. The email with results of that course exam is not really required there.

I have also check participant [REDACTED]
You have gained 4 outputs and 6 additional results

Well done for making such a progress!
Thanks again,

[REDACTED]

Hi [REDACTED]

Hope you're feeling a bit more confident in it all this week

I've managed to make progress with the below list. HOPEFULLY everything is now in order

My corrections made - [REDACTED], I believe they are still outstanding

- Dean Paul – have now uploaded signed registration form
- Daniel Armstrong – address justification uploaded
- Chaitanya Kodali – Added further detail to justification
- Karla Pennycook – Verified part 1 of email and added detail to justification

Unsure who's action it is!

- [REDACTED] – I don't understand the alert? The justification doesn't explain his economic status and why he does not evidence. Could you please provide a bit more background? Also, there seems to be only 2 last pages of the signed form scanned in and the page 1-2 are missing. Could you please upload them too? Updated justification and first pages of the form
- [REDACTED] – I'm not sure if this is an alert or just not put through yet? The alert is about the result evidence which has not been certified. Uploaded certified results evidence

I think not looked at yet (totally fine, just so you know that there are more results on – as I believe you said the system doesn't tell you!):

- [REDACTED] – Result – Could you please provide a bit more detail in the justification? There's a section 'reasons for accepting alternative evidence' and it hasn't been completed. Justification uploaded
- [REDACTED] – Result – Please certify p.2 of the email Uploaded certified results evidence
- [REDACTED] – Result – Pending, JK to check if the result can be accepted – I think we talked about this one, can you confirm what action was taken?

This is great [REDACTED]! Thanks for that. I think your updates in regards to the actions you are taking will definitely help me keep a track of things. There is just so much information I am trying to get through and learn in short space of time so things like this mean a lot
