Importance: High

Hi,

Hope you're ok. Just a quick email about the formal paperwork for the extension. Apologies for a delay in sending you a Deed of Variation – I should be able to send it within the next few weeks.

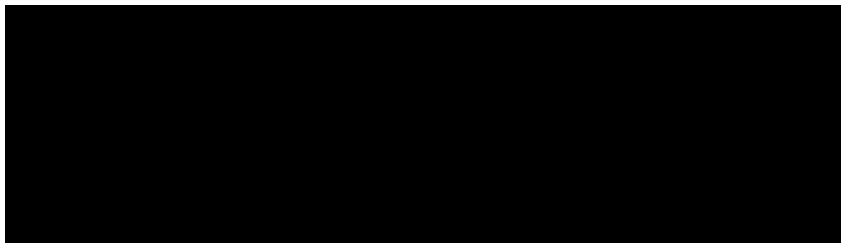

On top of that, [REDACTED] require that we provide them with copies of revised Match Funding Certificates in relation to the ESF projects extended beyond March 2022. I knew that this was something they would eventually require and I was going to post your certificate together with your Deed of Variation. But today they've notified me that they require these certificates by 8th November...

I've drafted the certificate for your project – please see attached. Could you please check if correct and insert your scanned signature, date it and email back to me? Would you have the time to do it before Tuesday lunchtime, please? Thank you! Apologies for such a short notice.

Any questions, please let me know.

Regards,
