H [REDACTED]

Hope you're well!

Just a quick one – one of our training partners, [REDACTED], is running a number of Business Administration combined Customer Services training courses, and have had a lot of success getting people into work with this course. Unfortunately, it doesn't really fit the bill of what most of our candidates are looking to do, and so they are wondering if we have contacts with anyone else that may be interested. I wondered if there were some charities in the CLLD network that may have people interested?

Their next course starts Monday 28th March. It is free funding and includes job interviews with various employers. They also provide paid travel expenses and have weekly food deliveries via fair share available for learners.

I've attached the email, which has the contact details of the main person we work with. Hope this is ok!

Thanks
