Hi [REDACTED]

[REDACTED] from The Recruitment Junction has asked to forward her email onto you – as she's not sure if you've received it (I understand she's had situations before where her email was put straight into people's spam).

Hope this is ok.

Cheers,
[REDACTED]

H ██████████

I sent this to ██████████ last week following our meeting, but received no acknowledgment of response. I appreciate it's a busy time of year, but I do occasionally go into people's spam folder. I wonder if as a safety net you would be kind enough to forward this on?

Many thanks

Subject: Open to partnership working - The Recruitment Junction

Dear ██████████

In advance of the Council circulating a fact-finder sheet, just a quick introduction of ourselves, should you see us as a potential partner within your consortium.

The Recruitment Junction is a niche job-finder for ex-offenders across Northumberland, Tyne & Wear. We work with ██████████ individuals a year, ██████████ of these more intensively and see ██████████ move into sustained work ██████████ job retention rates). The service is face-to-face, intensive and holistic – a lot goes into getting the ex-offender across the line into work, and then we offer 6 months' mentoring to help them keep the job ██████████ of our participants are over ██████████, ██████████ have a disability. Our distinction is that we are not "only" employability for a disadvantaged group – our expectation is that will get the person a job. We are the only organisation in the region to offer this specialist service and we receive referrals from a number of ██████████ partners, and others.

In terms of economic inactivity, an increasing number of our cohort are also recent prison leavers and so which qualifies them as having "not been available to work in the past 4 weeks".

We have just concluded ██████████, and ██████████.

Let me know if you would see value in a further chat.

Best wishes
