Hello All

Its been a while! Hope you are all well?

Hopefully you have seen this funding opportunity but if not [REDACTED] have recently launched a new fund designed to support local VCS supporting local residents overcome barriers to employability support - whilst this is not a direct replacement for ESF funding [REDACTED] have taken on board comments regarding the opportunities available via SPFUK and gaps in the funding when they designed this fund.

There are contacts details for specific questions about the fund etc below

But if you have any questions you think I can help with please let me know and I will do my best to help.
