There are a few where it's vague and could apply, but seemingly with a wing and a prayer... I'll still come to the event, thanks [REDACTED]

here it is!
Sorry about that.

Yes - but in other parts it talks about

- *Supporting people furthest from the labour market to overcome barriers to work by providing cohesive, locally tailored support including access to basic skills.*

So, it's not black and white! It's the replacement for ESF so if you have time, I would encourage you to consider coming to the initial event...

European Union

European Structural
and Investment Funds

H [REDACTED]

I've accepted your ESF webinar invite, I have also attended the NTCA session.

My fear is that we don't qualify - E33 below, which seems the most ex offender specific, is clear that all participants have to be "economically inactive" which ours are not.

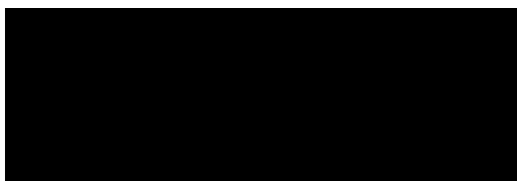

E30 is a tangential possibility but further reading seems to imply it's to help a business increase its own staff footprint, rather than help me to help them?

Thanks for a steer!

PS spent some time with our new [REDACTED] yesterday, who can't sing your praises highly enough

PPS hope you've kicked covid in the arsk.
