Hi [REDACTED]

Apologise for the wait – I've read the info on the website and it seems like the Citizen Card proves two things:

- Age
- Identity

But it doesn't not necessarily provide the right to live and work in the UK. I have double checked the Home Office info on Right to Work Checks which is what our list is based on and Citizen Card is not included.

I'd say, we could accept the Citizen Card (as best available evidence) if you provide a justification alongside. Technically, if you help a person to get a job, they are going to need additional evidence, a barrier you can help overcome!

Hi [REDACTED]

Hope you had a good break – just wondering, for the “Evidence that the participant is legally able to reside and work in the UK”

Could we use the citizen card - [CitizenCard - UK Photo ID card and Proof Of Age](#) ?

Thanks
