**Subject:** [REDACTED] | Data Reading - Networking Event for Projects and [REDACTED] Members

---

Hello All,

We sent you a 'save the date' and if you haven't already received a formal invite to our first in person networking session since 2019 it will be with you shortly!

But we know how peoples diaries can fill up so hopefully this calendar appointment means you can save the date and join us at the Banqueting Hall at the Civic Centre from 9.30am to look at some of the key impact data we are able to see from [REDACTED] including individuals stories, project case studies and evidence of the wider impact of the whole CLLD programme in local communities We will also take this opportunity to talk about the future of CLLD in Newcastle.

Please feel free to forward this appointment on to colleagues who may like to attend and as always, any questions please let me know

Vic

PS we may be able to host this meeting in a blended fashion (!!!) so if you would like to join remotely, please let me know and we will do our best to arrange this.
