Hi [REDACTED]

Unfortunately, I can't come to the CLLD event on the 7<sup>th</sup> either – lots of things booked all in one go!

If you could stick in the 30 mins for w/c 12<sup>th</sup> we can catch up then, Monday is a bit busy so any other day should work.

Thanks

Hi [REDACTED]

No problem. Yes, your project is doing fantastically well – thank you!

I think it would still be good to meet for a quick chat – not necessarily to look at the outputs and results but to chat about more general stuff – about evaluation of the whole CLLD programme, your experience of running a CLLD funded project, lessons for the future, potential case studies from your project, what's coming next etc. Perhaps just half an hour in w/c 12 Dec?

Alternatively:

Do you think you'll be able to come to the [REDACTED] event on 7<sup>th</sup> Dec? If so, we could chat in-person after the event instead of meeting separately on Teams.

Whatever is easier for you.

Cheers,

Hi All,

Just to let you know that we won't be able to have the next CLLD catch up on 6<sup>th</sup> December, as most of the team will be in the jail that week as it's the launch of a new project. I have some free-time the week after if you feel this is necessary, however we're currently [REDACTED] target outputs, and all have been verified and confirmed by [REDACTED].

I have 2 more that I should be able to upload ASAP and we are confident we can get at least the other 2 – if not more – by December.

We're also on [REDACTED], with at least 3 ready to upload and a big push on results for this

month.

Thanks
