Thank you - hopefully, it is just an anomaly as no one else has ever mentioned it!  
Unless they are all reading our inciteful chat!

Ha ha I have tried to leave it in the past, will try again after my morning meeting. For reassurance (although not GDPR proof!) I never ever read what's in it....

[REDACTED] I have no idea how you can still see the chat for the [REDACTED] meeting!

We didn't add you to the appointment, so can't remove you - you had the link.

Normally you 'leave' the chat 'no longer have access' ....

Not sure what to do - will speak to IT unless you can see a way of leaving?
