Hello All,

Thank you for taking the time to join us today if you were able, and if you weren't don't worry it was broadly an information session and the first of 3 meetings focusing the UK SPF and Newcastle. Slides are attached - please take the time to look at some of the information/links on the 'what you can do' slide which will hopefully provide you with some information to start thinking about the kinds of activity your organisations could deliver under UK SPF funding.

Additional Info

- You can view the **data North East Local Enterprise Partnership has** produced as part of the NTCA consultation here [UKSPF \(northeastlep.co.uk\)](http://UKSPF.northeastlep.co.uk)
- **Multi** [REDACTED]

Next Steps

- NCC will share comments and ideas [REDACTED] further inform their Investment plan
- **9.30 - 11.30 Thursday 16 June** (Newcastle Library - with online option) to begin to develop local priorities, proposals and collaborative approaches
- **9.30 - 11.30 Thursday 14 July** (Newcastle Library - with online option) to continue this local partnership work and update on the NTCA Investment Plan

I will share a calendar appointment for the above so please accept/decline as appropriate so we are aware of numbers - again feel free to forward this email/invite to colleagues and other organisations you think will benefit from attending.

Thank you
