Subject: CLLD extension - output and result split

Hi [REDACTED]

Cd [REDACTED]

I'm preparing the paperwork for your Deed of Variation (apologies this is taking so long) and I'd like to finalise the output and result table that will be inserted into the Deed. I understand that the total forecasted number of outputs is [REDACTED] I'm not sure how to split them between the different characteristics (for outputs) and what the split between the 3 results you're anticipating.

Any chance you could fill in the table below with your forecasts, please? Thank you!!!
