Hi [REDACTED],

Good news, yes – we can accept a provisional driver's licence. I'm aware that the drop down menu on [REDACTED] isn't updated, but it's a minor thing.

Initially, we thought we couldn't accept it, as there's no obligation to update the address on provisional driver's licence whereas you must do it by law on your full driver's licence. However, the ESF guidance confirms that provisional DL is fine.

Cheers,

Thank you – and another one! For proof of address, will the provisional driver's licence be accepted? It says FULL driver's licence, but they carry the same weight in ID terms, for all other purposes...

Thank you again.

Subject: Quick qu's!

Hi [REDACTED]

I have quite a backlog to upload onto the system – watch this space! Great, looks like I'll be very busy very soon – can't wait

For uncertified documents where I am filling out the justification, what is the NAME of our project?! Isn't it Ex-offenders employment programme?? I've just had a look at your application and the title is blank. The name of the project would be something that the project comes up with, we only allocate a project number. For the purpose of justification, it'll be absolutely fine if you just use 'The Recruitment Junction'. I'll double check if there's any official name being used in any paperwork. Will be in touch tomorrow.

Remind me, to record a job's outcome, so I need to do that on the results form, before I exit the person from the programme? You need to exit the participant prior to them starting the job.

Thank you!
