Hi [REDACTED]

[REDACTED] has been verified at the output level, so I'm happy. There's no need to complete the exit (result) form – you can just leave the record as it is. I don't know how long he's going to prison for, but if it's a short period of time, he might come back to your project for support. The result form should only be completed once a job or into education outcome is achieved.

Hope it [REDACTED]

Hi [REDACTED]

Before we exit the participant – could you please let me know their name? I'll have a look if there's anything we could do...

Cheers,

Hi [REDACTED]

Sadly, one of our participants has been recalled to prison and so we will need to exit him from the programme. I was just querying; do we need to complete a participant result form for him? And if we do, is there something in particular I need to put on for this?

Otherwise, do I just need to exit him through [REDACTED] ?

Thanks
