How lovely.

My home address would be easiest as we are WFH full time again.

Wishing you and the team a merry Christmas.

**Subject:** Address for your Christmas card?

Hello Victoria

We have been gifted the print-and-production of our lovely Christmas cards this year, which feature fun photos of a number of our current and placed candidates, in suitably festive attire...

This has enabled us to make a donation of our own to [REDACTED], which allows serving prisoners to pick out a gift which will be sent to their children at home, and for the parent in prison to handwrite an accompanying gift tag.

I hope you will permit us the old-fashioned tradition of sending you an actual Christmas card, and our newsletter.

Will it reach you at the office address, or is there a home address I could post it to (which I won't keep on file)?

Thank you
