Please find attached report with all registrations, their outputs and results. I have included there date of entry to the project and date when support has ended. Sorry I was unable to select a specific time period for this data.

Hi [REDACTED]

Don't worry! I've set aside time to do this the end of this week, so the delay hasn't impacted. So, yes I do still need it.

I'm not sure what's been done before [REDACTED] normally does these but part of my new role as contracts manager it's been passed to me!) so if you just do the report with the dates included then I'm sure I can figure it out from that. We'll muddle through together!)

Thanks

Hi [REDACTED]

Apologies I am only getting back to you now. I have been away on annual leave last week. I got back on Friday but unfortunately NCC experienced network issues across the board and I was not able to access my emails and systems for most of the day.

On the top of this I don't work [REDACTED].

Anyway, Do you still need the report? I had quick look on [REDACTED] and I don't think I can pull a period specific report for you. It can create report with all your data (like the one for monthly catch up meetings) and include category " date registered/input

on the system" than you can then filter down? Unless, [REDACTED] prepared such report for you in the past, then please send it over so I can figure it out how she has done it

I'm just busy pulling together our Q2 report and wondered if you could send me the data for the period covered 1/4/22 to 30/6/22 (new inputs, results etc.)

Thanks
