Good morning all

Thank you for attending, or sending a representative to the launch of the Newcastle Employment Partnership at St James' Park, last week. The event was very well attended and the feedback has been positive with some great coverage in the press and on social media. For the press release see:
A new employment partnership for the city | Newcastle City Council

Attached are the presentation slides and feedback from the Mentimeter questions. Thanks for your comments and choosing your preferences on the name. The steering group met this morning to reflect on the event, and consider your observations as we take things forward.

As noted at the event, the next key stage of the development of the Partnership will be the first meeting of the Strategy Group. Invites will be sent out soon with an agenda and papers to follow. In the meantime, the other key groups within the Partnership are scheduled to meet as follows:

- Employer Engagement Forum – April 13th
- ESOL Task Group – April 14th
- Skills Hub Delivery Group – May 4th

Please can I encourage you to sign up to the Partnership newsletter, if you haven't already. This will keep you informed of the latest news, developments, and key events. You can register at this link: Futures Talk - Newcastle Futures Note that previous subscribers to the 'old' Futures Talk will need to subscribe again to receive the new newsletter.

If you have any comments or questions on the new Partnership arrangements, please get in touch.

Thanks again for your support. We look forward to working with you in our new collaboration.

Cheers

Employment Partnership Coordinator
